WASHINGTON STATE
COMBINED
FUND DRIVE

About the Combined Fund Drive

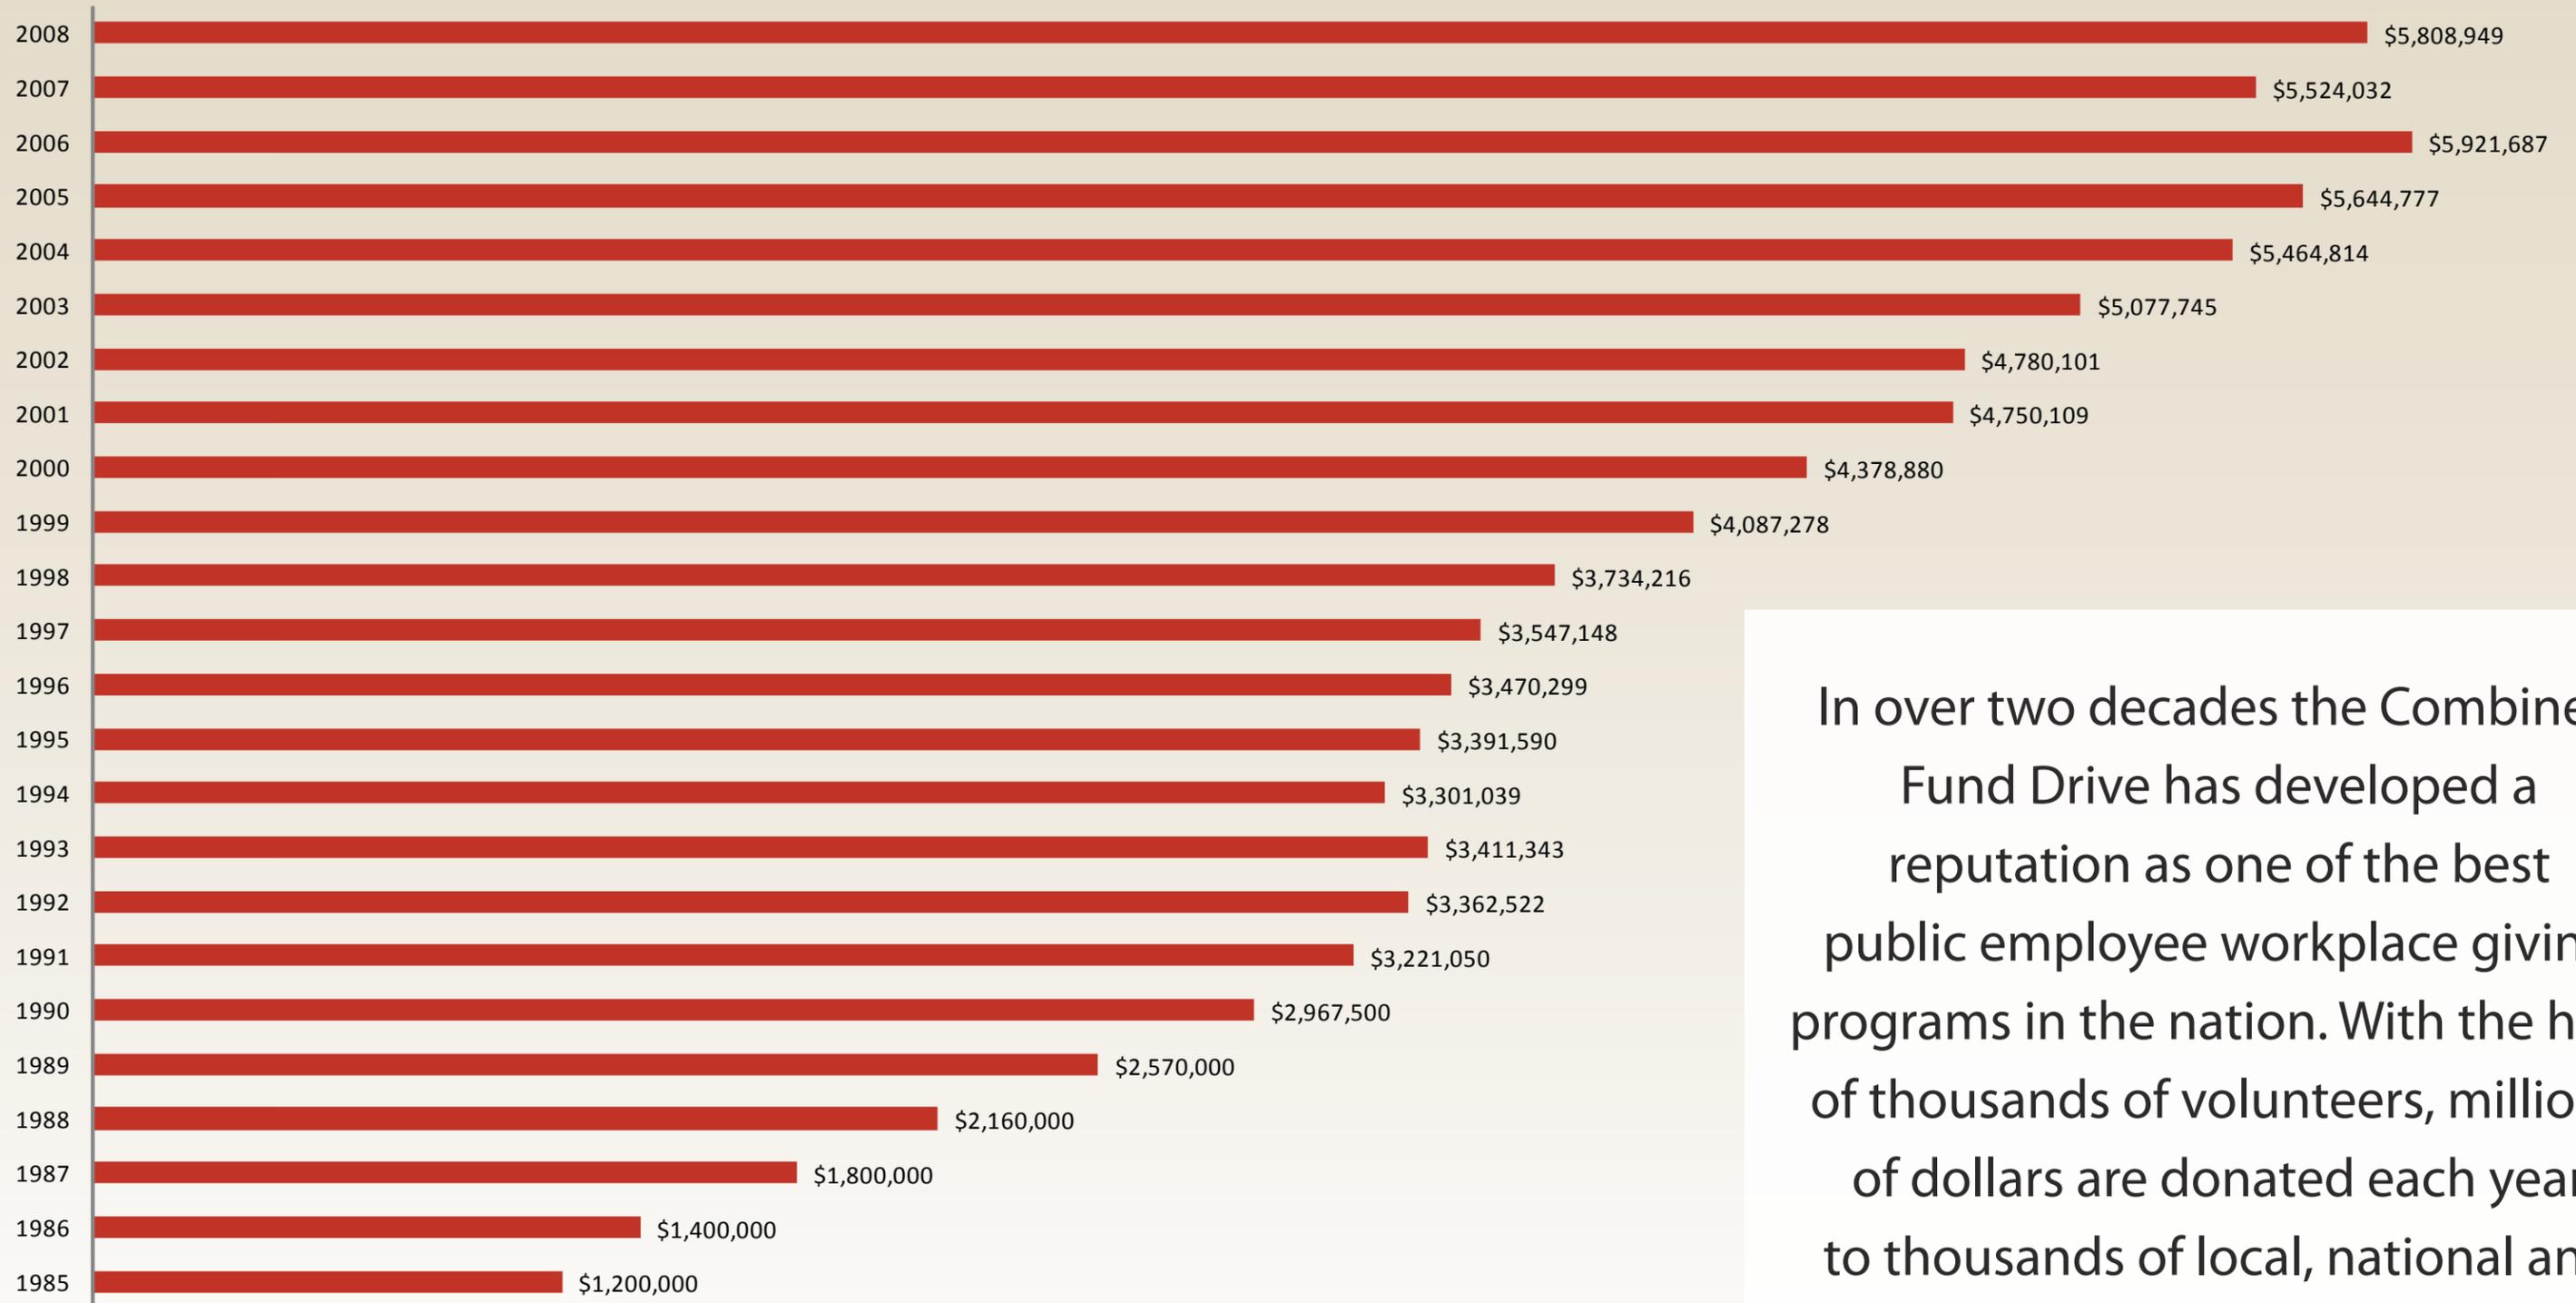

Mission:

“Empowering Washington public employees and retirees to strengthen communities through the funding and support of charities.”

For 24 years the Washington State Combined Fund Drive has set the standard of giving amongst similar workplace giving programs. With the help of our incredible volunteers, and the generous gifts from every participant, the CFD raises millions of dollars per year for local, national and international communities.

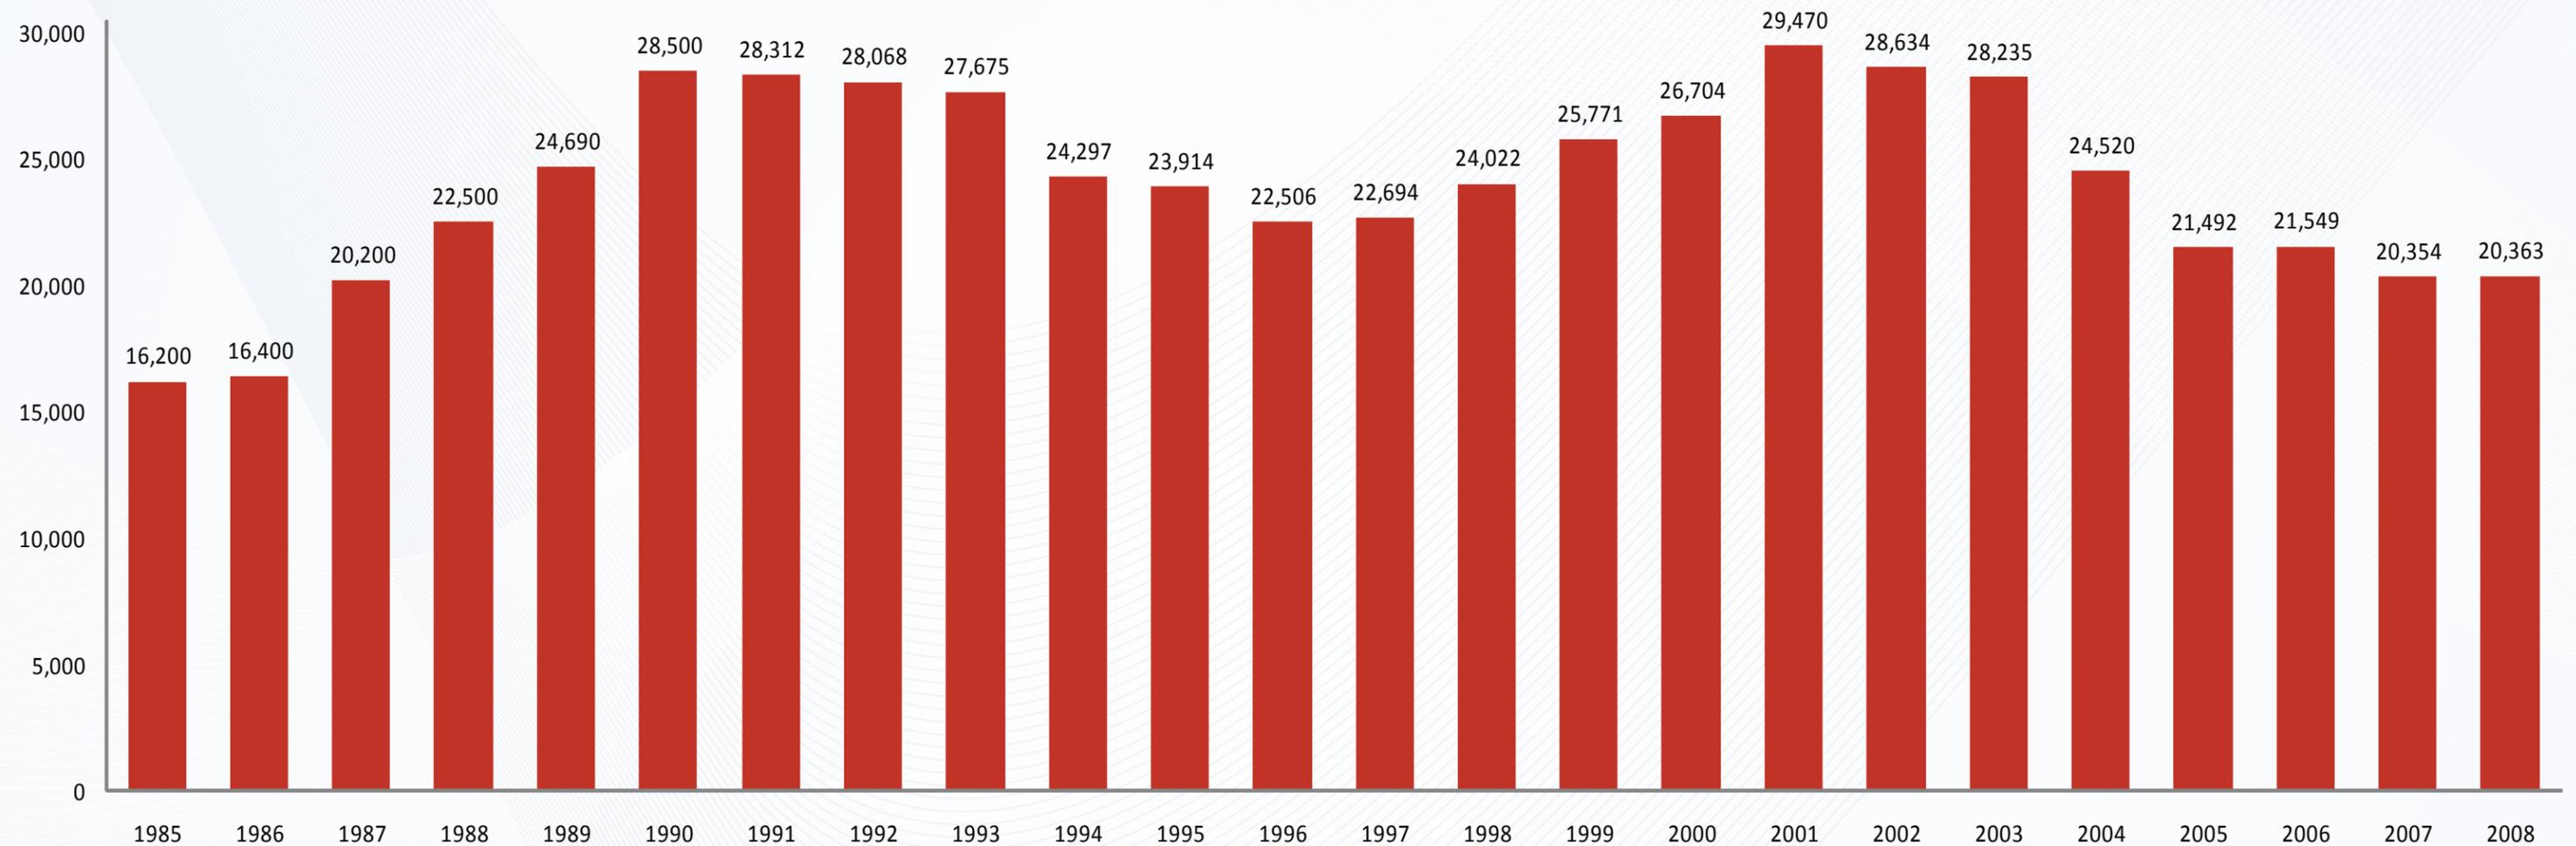

The Combined Fund Drive offers the security and convenience you expect when making a donation to your favorite charity. You can go online or fill out a paper form to set up a monthly payroll deduction, write a check, or make a one time pledge. The Combined Fund Drive is here to make your charitable donation experience as easy and enjoyable as possible.

Over \$89 Million Pledged to Charities

In over two decades the Combined Fund Drive has developed a reputation as one of the best public employee workplace giving programs in the nation. With the help of thousands of volunteers, millions of dollars are donated each year to thousands of local, national and international charities.

Tens of Thousands Trust the CFD for their Charitable Giving

Note: Donor totals fluctuate due to varying number of state employees, economic climate, external factors, and the participation of other public employee organizations, such as City of Seattle.

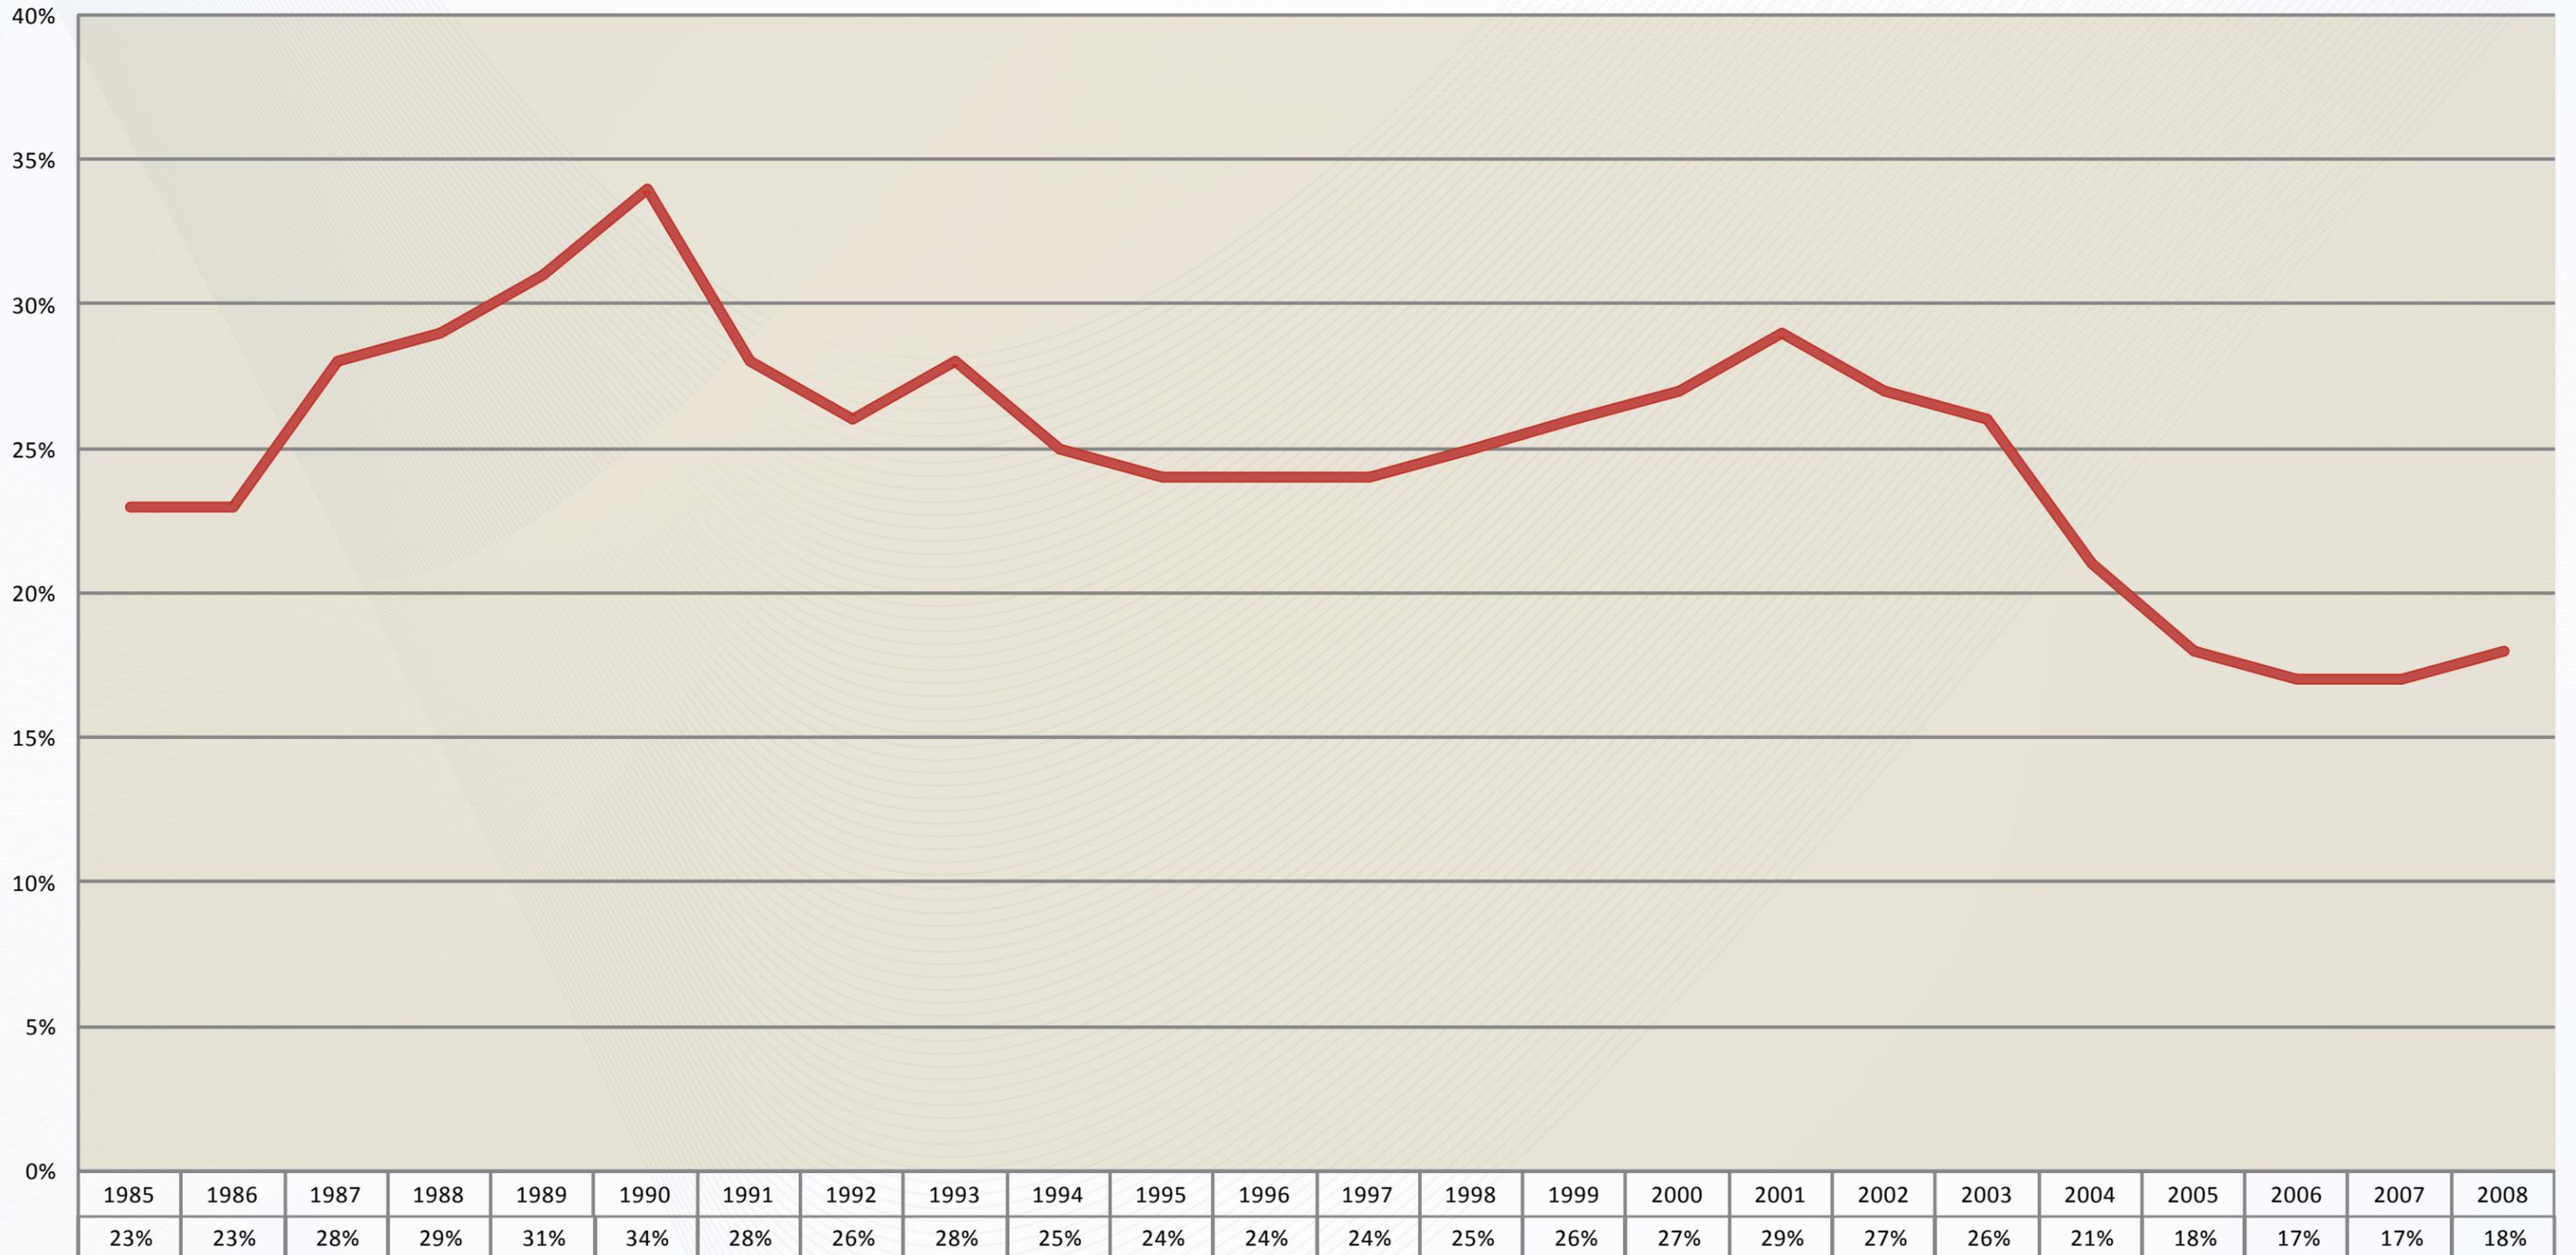

Give Locally or Globally: Donations you make through the CFD directly support the charities and causes you believe in.

One-Stop-Shop: The CFD offers over 2,800 charities from which to choose, five different ways to make your donation, and an online "Donation Account" where you can easily and securely manage your donations at any time.

Secure Donations: The CFD encrypts and protects your donation and account details using the latest technology.

It's Easy: With our new online system you have secure and seamless access to your "Donation Account." And, if you run into a problem, we have over 3,000 volunteers state wide and an office staff available to help you.
