

Combined Fund Drive - Campaign Overview

- An annual campaign is conducted from September through December.
- Each employee is provided the opportunity to donate to the charity of his/her choice.
- Donations can be made online at www.cfd.wa.gov or by filling out a paper contribution form.
- Monthly payroll deductions automatically roll over into the following year.
- Donation updates and cancellations can be done at anytime by the donor.
- Donations are disbursed to the charities on a quarterly basis. Interest earned at the State Treasury is added to the charity disbursements.
- Charities will receive your name and address to thank you for your donation, unless you specifically request anonymity. Charities understand that further solicitation is not permitted.

Benefits of giving through the CFD

Donations through the CFD significantly impact local, national and international communities in a real way.

A \$2 donation...

can be turned into \$8 worth of food at a local food bank.

Only \$5 a month...

provides a day's shelter for women fleeing domestic violence.

Just \$7...

buys a life saving mosquito net for a child in Sudan.

For only \$10 a month...

you will plant twenty trees, offsetting twenty tons of carbon dioxide emissions, or provide a complete platelet treatment for two young cancer patients.

With a \$25 donation...

you can buy heifers for two families in Ecuador, providing a source of milk and income for those families, or you can provide emergency medical supplies to aid 5,000 disaster victims for an entire month.
